Young Exhibitors Showcase (YES Gallery) | Guthridge Primary School Until 31 March

This expressive exhibition features mixed media artwork from the talented students at Guthridge Primary School. See above: Joyful coloured portraits use coloured paper to create a relief artwork that pops out of the wall.

Other artworks on display explore the development of portrait technique and use of colour, both contrasting and harmonious.

This Gallery space is supported by the Department of Education as part of the Gippsland Art Gallery School Membership Program 2023.
